## PROFESSIONAL EXPERIENCE

### Lakhdaria El Morchid Medical Imaging Center | SEP 2024 - APR 2025

Intern – Web Development (Practical Training)

- Developed a medical imaging management web app for final training project. Handled both front-end and back-end tasks, collaborated with medical staff for requirements, and implemented secure login, appointment booking, and real-time dashboard features.

### Printing & Office IT Services | NOV 2024 - MAY 2025

Technician – Printing & Office Support

- Operated high-volume printers for document services. Assisted clients with file prep, formatting, and basic IT tasks. Supported MS Office tools and ensured timely, accurate print job delivery.

### Freelance Web Developer | 2023 - Present

- Built responsive websites (front-end & back-end), integrated custom features, and managed full client projects.

### Maritime & Industrial Expert Assistant | SEP 2025 - Present

- Participation aux expertises techniques, rédaction de rapports, analyse des dommages, support administratif avec les entreprises externes et coordination avec les parties prenantes
